OLD BUSINESS

- **Legislative Update Information**
 - Changes in the Regular and 2nd Special Sessions of the 87th Legislature require a school board adopting curriculum in human sexuality instruction (defined as instruction including reproductive health), child abuse, family violence, dating violence, and sex trafficking to seek the advice and recommendations of the local SHAC. In the course of developing recommendations, the SHAC must hold at least two public meetings on curriculum materials. The SHAC must provide their recommendations at a public meeting of the school board
